ST. JOSEPH'S HEALTH

Established more than 150 years ago by the Sisters of Charity of Saint Elizabeth, Paterson's first hospital has evolved into St. Joseph's Health, a multifaceted integrated healthcare organization and the largest employer in Passaic County. With a "patients first" approach to healthcare excellence, St. Joseph's is fully committed to providing top quality services designed to heal the minds, bodies and spirits of those in need.

St. Joseph's Health is comprised of:

- **St. Joseph's University Medical Center/St. Joseph's Children's Hospital**, a major academic medical/trauma center and state-designated comprehensive children's hospital in Paterson. St. Joseph's University Medical Center is the only four-time Magnet® Recognized (for Nursing excellence) Catholic hospital in the Nation to earn ISO 9001:2008 Quality Management Certification.
- **St. Joseph's Wayne Medical Center**, an acute care community hospital in Wayne.
- **St. Joseph's Healthcare and Rehab Center**, a long-term residential facility in Cedar Grove.
- **Visiting Health Services of N.J.**, based in Totowa.
- **Pediatric and adult outpatient facilities**, located across northern New Jersey.

A vibrant healthcare system, St. Joseph's is recognized as one of the leading providers in Northern New Jersey for comprehensive medical and surgical services, innovative treatments and procedures, and a wide range of ambulatory and post-acute care options. An academic organization with multiple teaching affiliations, including New York Medical College, a member of the Touro College and University System, St. Joseph's not only uses, but teaches leading-edge medicine and best practices to future clinicians.

Specialty services include:

- Cardiothoracic Surgery
- Interventional Cardiology
