FOUNDATION

# ACHIEVING *new* HEIGHTS

2019 Impact Report

Employees of St. Joseph's Health and members of the Paterson community come together to celebrate *National Night Out*, one of the many community events hosted by St. Joseph's to promote health and well-being for all.

---

# OUR MISSION

St. Joseph's Health is a healing ministry of the Catholic Church sponsored by the Sisters of Charity of Saint Elizabeth. We are committed to provide exceptional quality care which sustains and improves both individual and community health, with a special concern for those who are poor, vulnerable and underserved.

---

Dear Friends,

As we look back on 2019, we are encouraged by the success of St. Joseph's Health Foundation. We can proudly say that because of your support, we are *achieving new heights*. In January 2019, St. Joseph's Regional Medical Center Foundation and St. Joseph's Wayne Hospital Foundation joined forces to create St. Joseph's Health Foundation—a single mission-driven, charitable organization to better serve our entire health system. This effort set the tone for the success achieved throughout the year.

**We had a record-breaking year, surpassing our fundraising goal of \$7 million, the greatest amount ever raised by the Foundation.** Exceeding this goal, as well as many other accomplishments, were made possible because of partners like you, and for this we say **thank you!**

Your philanthropic investment continues to make a direct impact where it is needed most. Your support of St. Joseph's Health Foundation has empowered us to continue the long legacy of the Sisters of Charity of Saint Elizabeth, and maintain the values which established our flagship hospital in Paterson over 152 years ago.

St. Joseph's remains loyal to our commitment of providing exceptional quality care to all those in need, with a special concern for the poor, vulnerable, and underserved. We continue to evolve as a leading healthcare resource in our community, the largest employer in Passaic County, and one of the largest providers of charity care in New Jersey.

We are grateful for your philanthropic support which led to such success in 2019. As you read through this report, we encourage you to take great pride in all that you helped achieve. We look forward to all that will be accomplished in 2020 with your continued partnership and support!

With gratitude,

Our award-winning nursing staff continues to provide compassionate care.

St. Joseph's Health teams up with local first responders to host *A Life Shaving Event* to raise awareness of pediatric cancer and sickle cell disease.

# OUR VISION

St. Joseph's Health is the premier Catholic healthcare provider in New Jersey dedicated to improving the health of people and communities whom we serve. We will understand and respond to the needs of our communities, leverage the strengths of our system, provide a transformational healing presence and collaborate with others who share our values.

## St. Joseph's Health is comprised of:

- **St. Joseph's University Medical Center (SJUMC)/Children's Hospital (SJCH)**, a major academic medical/trauma center and State-designated comprehensive children's hospital in Paterson.
- **St. Joseph's Wayne Medical Center (SJWMC)**, an acute care community hospital in Wayne.
- **St. Joseph's Healthcare & Rehab Center (SJHRC)**, skilled nursing facility providing sub-acute and long-term care in Cedar Grove.
- **Visiting Health Services of N.J. (VHSNJ)**, based in Totowa.
- **Pediatric and adult outpatient facilities**, located across northern New Jersey.

## OUR VALUES

*Dignity \* Charity \* Justice  
Excellence \* Stewardship*

Kevin J. Slavin, President & CEO of St. Joseph's Health and Sister Marilyn Thie, SC, Board Chair of St. Joseph's Health, with Gordon N. Litwin, Esq., Chair of Hackensack Meridian Health Network Board of Trustees, and Robert C. Garrett, CEO of Hackensack Meridian Health.

# ST. JOSEPH'S HEALTH AND HACKENSACK MERIDIAN HEALTH

In September 2019, St. Joseph's Health and Hackensack Meridian *Health* announced the formation of a clinical and strategic partnership which will deepen our joint commitment to deliver innovative, high-quality, and cost-effective care throughout Bergen and Passaic counties.

"This is an exciting step forward in the history of St. Joseph's Health," said Kevin J. Slavin, President and Chief Executive Officer of St. Joseph's Health. "After a comprehensive search to find just the right partner who would support our Catholic roots and philosophy, while at the same time embrace our commitment to the local communities of northern New Jersey, we are delighted to join efforts with Hackensack Meridian *Health* in this forward-thinking collaboration."

Under the new partnership, St. Joseph's Health will remain an independent organization, governed by a separate board of directors, with continued sponsorship by the Sisters of Charity of Saint Elizabeth.

"The partnership of our two organizations deepens our commitment to the communities we serve," said Sister Marilyn Thie, SC, Chair of the Board of Trustees at St. Joseph's Health. "It will enable us to sustain our proud 152-year history and Catholic mission for many years to come."

The new clinical and strategic partnership will have a significant impact throughout Bergen and Passaic counties, increasing the region's access to wide-ranging healthcare services, and expanding the network of aligned physicians to better serve the community. It will also enable the two networks to continue to advance medical education for the next generation of healthcare providers, and work together to support population health management and effectively transition to value-based care. The partnership also provides the opportunity to expand state-of-the-art oncology services, featuring a Comprehensive Cancer Center with multiple locations throughout Passaic County including in Paterson, Wayne, and Totowa.

"I firmly believe that innovative partnerships like this are the answer to enhancing healthcare delivery to those who need it most," said Bishop Arthur Joseph Serratelli, Bishop of the Diocese of Paterson. "New models and structures are imperative for Catholic health systems (like St. Joseph's Health) to remain strong, while evolving as the leading health resource in the community."

---

**"This is an exciting step forward in the history  
of St. Joseph's Health."**

—Kevin J. Slavin, President and Chief Executive Officer at St. Joseph's Health

---

# YOUNG PROFESSIONALS COMMITTEE

St. Joseph's Health Foundation welcomed its inaugural Young Professionals Committee, chaired by Gabriella LoConte, a member of the St. Joseph's Health Foundation Board of Trustees. The Young Professionals Committee (YPC) is a growing group of professionals in their 20s and 30s who are passionate about St. Joseph's mission. The YPC plays a strategic role in developing awareness around St. Joseph's programs by leveraging social media, events, and individual fundraising to support the Foundation's overall goals.

YPC members have opportunities to create, plan, and participate in service activities, help plan and host fundraising events, and interact with St. Joseph's staff and Foundation Trustees.

Our YPC members bring a variety of educational backgrounds and professional expertise that are integral to the future of St. Joseph's Health. We are very grateful to this new team of dedicated young professionals who will help carry our mission forward for the next generation.

**“We are thrilled to have this group of incredibly motivated Young Professionals helping to make a difference in the lives of those we serve.”**

—Robert B. Budelman, III, VP & Chief Development Officer

Members of the YPC celebrate a year of *achieving new heights* at St. Joseph's Health Foundation's year-end Spotlight on St. Joseph's and Annual Holiday Party.

YPC members and guests participate in the annual 4-Miler Run/Walk event hosted by Sax, LLP at Garret Mountain in Woodland Park, NJ.

# MARCAL COMMUNITY RELIEF

After a devastating fire on January 30, 2019 that destroyed the iconic Marcal Paper Mill, which stood tall for 80 years in Elmwood Park, St. Joseph's immediately stepped in to help those impacted.

"There is no greater pride than helping your own community. We have worked alongside our neighbors at Marcal Paper for decades and they have been a long-time supporter of the hospital and our surrounding communities. Joining together with other local businesses and organizations to bring aid to our friends and colleagues at Marcal in their time of need is the right thing to do," said Kevin J. Slavin, President & CEO of St. Joseph's Health.

St. Joseph's donated temporary office space for dozens of Marcal employees and provided behavioral health counselors who were available around the clock to provide support and assistance for Marcal team members affected by the incident. At the request of Marcal, A Soundview Paper Company, St. Joseph's Health Foundation launched an official campaign on GoFundMe to raise funds for Marcal employees and their families. **Ultimately, \$230,000 was distributed to nearly 400 employees who lost their jobs as a result of the fire.**

---

**"St. Joseph's Health is one of those long-time partners, and we're grateful that they have joined us and our owners, Atlas Holdings, in assisting our associates in need."**

—Rob Baron, Marcal's President and Chief Executive Officer

---

The iconic Marcal building sign as it once stood in Elmwood Park, NJ, before the devastating fire on January 30, 2019.

St. Joseph's Health employees take time to volunteer with a number of local nonprofit organizations.

Members of the LoConte Family, Sister Fran Demarest, SC, Paterson Mayor Andre Sayegh, and St. Joseph's Health leadership dedicate the new Santo LoConte Child Advocacy Center.

8 The recently completed Santo LoConte Child Advocacy Center.

# THE LOCONTE FAMILY LEGACY

St. Joseph's Children's Hospital continues to *achieve new heights* with a newly-constructed facility which offers a home-like atmosphere for child and family services. Dedicated in November 2019, the **Santo LoConte Child Advocacy Center** supports families throughout Passaic County and furthers the compassionate care provided by St. Joseph's Children's Hospital.

The center, made possible by the generosity of the LoConte Family Charitable Foundation, has already begun to combat adverse childhood experiences (ACEs) and improve the quality of life for families by offering a coordinated interdisciplinary team that brings together protective services, medical providers, and therapeutic resources.

---

**“We are grateful to the LoConte family, and thrilled to deliver vital expertise and support to vulnerable children and families in a warm and welcoming environment. The advocacy programs provided by St. Joseph's are critical to our mission to offer children a safe and nurturing setting to foster resiliency, hope and healing.”**

—Michael Lamacchia, MD, Chairman of Pediatrics for St. Joseph's Children's Hospital

---

“It's an honor for our family to contribute to the mission to provide an advocacy center in my grandfather's memory that will do such good for the community,” said Gabriella LoConte, member of the St. Joseph's Health Foundation Board of Trustees and Vice President of the LoConte Family Charitable Foundation. “His legacy lives on here in Paterson through the families that will be helped with these life-changing services.”

# SAX, LLP: MILES THAT MATTER

For the past eight years, long-time partner **Sax, LLP** has held its annual run/walk event at Garret Mountain—the 4 MILER—with 100% of dollars raised directly supporting St. Joseph’s Children’s Hospital’s Child Life Department. In 2019, the 4 MILER *achieved new heights* and broke records for the amount of money raised, the number of overall participants, and the number of St. Joseph’s employee participants.

Funded entirely through philanthropy, St. Joseph’s Child Life Department offers high-impact holistic therapies to our pediatric patients, including art therapy, horticultural therapy, and animal-assisted therapy. These therapies have been shown to be highly beneficial in mitigating the negative effects of hospitalization, particularly for patients with chronic, life-threatening, or terminal illness.

Sax has become the leading supporter of the Child Life Department, raising over \$535,000 through the 4 MILER since the event’s inception in 2011. In addition to underwriting the entire event, Sax, LLP dedicates a significant amount of staff time towards the success of this event. St. Joseph’s remains grateful to everyone at Sax for their continued partnership and dedication to St. Joseph’s Children’s Hospital.

This collage, made by our Child Life team, celebrates Celine’s life. Another example of how SJCH is so special!

## SUPPORTING CHILD LIFE

### *Meet Celine*

After living in a nursing home from the time she was a toddler, Celine was transported to SJCH in July 2019 because of a terminal health condition. Celine enjoyed visits from one of our therapeutic facility dogs, Orbit, who would sit by her side as our Child Life team read her books. With no family able to visit her, our incredible Child Life and clinical care team stepped in to make sure Celine’s limited time was peaceful—they made sure Celine knew she was loved before her passing. This is the St. Joseph’s difference.

# FORCES FOR GOOD IN THE FIGHT AGAINST PEDIATRIC CANCER AND BLOOD DISORDERS

## The Valerie Fund Children's Center for Pediatric Cancer and Blood Disorders at St. Joseph's Children's Hospital

From the time St. Joseph's Children's Hospital received our prestigious designation as a Valerie Fund Center in July 2016, we have grown our impactful suite of psychosocial services to complement our world-class pediatric medical care. The Valerie Fund generously provides St. Joseph's **over \$350,000 each and every year** to fund important staff positions, like a Child Life Specialist and Financial Counselor, to ease some of the stress children and their families face.

In 2019, **The Valerie Fund awarded an *additional* grant of \$433,000 over three years.** This funding enabled St. Joseph's to add a dedicated hematology social worker (expanding our social work team from one to two full-time employees) and underwrite 25 hours per week of integrative therapies, which include aromatherapy, acupuncture, and massage therapy, and naturally reduce patients' pain and anxiety.

John and Mary Ramsden with Christian and his family as they welcome Santa Claus and Mrs. Claus to the Valerie Fund Children's Center for Pediatric Cancer and Blood Disorders.

#### PATIENT HIGHLIGHT

### *Commitment to Compassionate Care*

**"I have been diagnosed with sickle cell disease and need blood transfusions once every three weeks. I also take medications that help me stay healthy and avoid serious medical complications. The team at St. Joseph's Valerie Fund Center has been holding my hand since I arrived to the United States when I was a little girl. My social worker is the best. I know that my social worker is here for me and will guide me and help me whenever I need her."**

—A.R., an 18-year-old patient at St. Joseph's Valerie Fund Center

### Tom Coughlin Jay Fund Foundation

St. Joseph's was thrilled to once again partner with the Tom Coughlin Jay Fund Foundation in 2019. We are one of just a few organizations to receive the Jay Fund's Emergency Household Expenses grant which provides critical financial assistance to the families of pediatric cancer patients undergoing treatment at The Valerie Fund Center at St. Joseph's Children's Hospital.

Since 2012, the Jay Fund's Emergency Household Expenses grant has helped families in need, easing the financial burden they face by covering everyday necessities such as rent, groceries, and utilities. Thanks to the Jay Fund, 90 St. Joseph's families have received assistance with household expenses, and \$250,000 has been provided to support these families.

In 2019, the Jay Fund sponsored our annual Cancer Survivors Day Celebration in June. The event helped connect survivor families as well as inspire patients in active treatment—creating an expanded support system and a more normalized childhood experience.

Jill Menell, MD, Chief of Pediatric Hematology and Oncology, celebrates Cancer Survivor Day with patients, their families, and Jack the Jackal.

## Special Thanks to our 2019 Corporate Champions

# CORPORATE CHAMPIONS

The Corporate Champions program is a partnership between St. Joseph's Health and leading businesses from across Northern New Jersey. This innovative program is designed to raise corporate philanthropic support for St. Joseph's Health Foundation, while also advancing each partner's corporate social responsibility goals. Champions' benefits include brand recognition and visibility, access to workplace wellness programs, and employee volunteer opportunities.

To learn more about the Corporate Champions program, please contact Melissa Flynn, Director of Corporate and Foundation Relations at 973.754.4416 or [flynm@sjhmc.org](mailto:flynm@sjhmc.org).

Corporate Champions enjoy year-round features on our proprietary digital billboards located on Route 80 East and West in Paterson—with over 26 million impressions per year.

# Partnerships That Transform Lives!

## COLUMBIA BANK: OVER 30 YEARS STRONG

Columbia Bank leadership, Edward Thomas Allen Jr. and Richard Abbate, member of St. Joseph's Health Foundation Board of Trustees; with Alexis M. LaPietra, DO, FACEP, Chief of Pain Management/Addiction Medicine at St. Joseph's Health; Dean Emmolo, Chairman of St. Joseph's Health Foundation; and Robert Budelman, Vice President & Chief Development Officer.

Columbia Bank has been a tremendous philanthropic partner of St. Joseph's for over **30 years**, contributing more than \$600,000 since 1989. The bank is one of the top five corporate donors to St. Joseph's Health Foundation, and one of our longest standing partners. In 2019, **Columbia Bank Foundation awarded St. Joseph's \$100,000** for new medical equipment in our Postpartum Unit (currently under renovation). Columbia Bank continues their commitment to promoting health and human services through their annual sponsorship of one of the four St. Joseph's Health Foundation's *Spotlight on St. Joseph's*.

## SHOPRITE: PROMOTING A HEALTHY COMMUNITY

Carlene Byfield (center), with Mohamed Fouad, Ambulatory Care Clinical Pharmacist and Patricia Varela, Operation Manager of the Community Medicine Department at DePaul Ambulatory Care Center.

Carlene, a St. Joseph's patient navigating diabetes, gave a powerful testimonial at this year's Corporate Champions Breakfast. Early on in her diabetes journey, Carlene struggled to afford her medications, **taking only a quarter dose of each medication to "stretch" the prescription's lifespan.** Lack of access to medication and other challenges compromised Carlene's health, but with the help of her care team at St. Joseph's Community Medicine Department at DePaul Ambulatory Care Center, Carlene gained the care she needed. Carlene says, "Step by step [St. Joseph's] was with me on my journey... They always make sure that I'm taken care of, and I thank them so much." The St. Joseph's Diabetes Education Program—the **same program that provides direct support for patients like Carlene**—has been supported by Corporate Champion ShopRite/Wakefern since 2004.

# March

**Spotlight on St. Joseph's: Keeping Your Heart Healthy** at the Wayne YMCA featured Mark W. Connolly, MD, Chair, Department of Surgery, St. Joseph's Health.

*Mark Connolly, MD, discusses the importance of a healthy heart with St. Joseph's Health Foundation's donors and friends.*

*Margaret Josephs, Jennifer Aydin, and Dolores Catania of the "Real Housewives of New Jersey," with Fashion with Compassion event Co-Chairs Donna DeCandido, member of the Foundation's Board of Trustees, and Maryann Puccio.*

**"The same way that they [supporters] helped me, they can keep helping a lot more people, even with a small donation."**

—Emmanuel Petty, St. Joseph's Children's Hospital patient

# April

*Foundation donors Robert and Sally Atkins, with Mark Connolly, MD, and Robert Budelman.*

St. Joseph's Health Foundation's strategic events season began with our 3rd annual **Fashion with Compassion**, benefitting **St. Joseph's Children's Hospital**. More than 500 guests enjoyed an evening of sipping, shopping, and mingling at Bergen County's premier event venue, The Rockleigh. Led by Co-Chairs **Donna DeCandido** and **Maryanne Puccio**, the event raised nearly **\$230,000 for SJCH**. Mary Ramsden, mother of St. Joseph's Children's Hospital patient, Nicole, shared that "for two years, St. Joseph's treated my daughter for leukemia, but they also treated our entire family like family... St. Joseph's was available to us in countless ways."

*John Ramsden, Jill Menell, MD. Mary Ramsden, and Mary Ann Bonilla, MD celebrate the Children's Hospital.*

## May

**Spotlight on St. Joseph's: Adverse Childhood Experiences (ACEs)** at the North Jersey Country Club featured Michael Lamacchia, MD, Chair, St. Joseph's Children's Hospital, and Liliana Pinete, MD, MPH, COO, Partnership for Maternal and Child Health of Northern NJ. Dr. Lamacchia shared the innovative ways in which St. Joseph's Children's Hospital is diagnosing and preemptively treating Adverse Childhood Experiences (ACEs).

*Golfers at the Liberty National Golf Outing enjoy a perfect day to hit the links!*

*Robert Budelman, Bianca Emmolo, Michael Lamacchia, MD, and Foundation Board of Trustee members Dean Emmolo and Joe Amico enjoy the Spotlight on St. Joseph's.*

## August

St. Joseph's Golf Committee spearheaded the **Liberty National Golf Outing**, raising over **\$170,000**. The outing was held for the second consecutive year against the stunning backdrop of the Manhattan skyline at Liberty National Golf Club in Jersey City.

## 2019 Annual Giving Honor Roll

For over 152 years, the Sisters of Charity of Saint Elizabeth have called upon the generosity of benefactors and patrons throughout our community to support the mission of St. Joseph's Health. We are incredibly grateful that the tradition of generosity continues today as we *achieve new heights*, together! The generosity of our donors helps us to live out our values of dignity, charity, justice, excellence, and stewardship in a very real way. **St. Joseph's Health Foundation gratefully recognizes the generosity of all individuals, corporations, foundations, and partners who supported our mission in 2019. We are proud to recognize those donors who have contributed \$1,000 or more in 2019 via a pledge, a pledge payment (excluding 'St. Joseph's is the Future Capital Campaign'), cash, or gift-in-kind between January 1, 2019 and December 31, 2019.**

## The Seton Legacy Society

The Seton Legacy Society recognizes those individuals who have joined St. Joseph's Health Foundation in providing long-term provisions for St. Joseph's Health by making a planned or legacy gift. Their commitment, made during their lifetime, helps to ensure St. Joseph's Health achieves new heights for the next 152 years!

Lifetime membership is bestowed on those individuals who have notified the Foundation that they have named St. Joseph's Health as a beneficiary in their will, trust, life insurance, or IRA, or are participants in our Annuity program.

*To request more information about Legacy Giving, Charitable Gift Annuities, and the Seton Society, or if you have already left St. Joseph's Health in your estate plans, please contact Mark Cantine at (973) 569-6096 or [cantinem@sjhmc.org](mailto:cantinem@sjhmc.org).*

Thomas and Jane C. Wrigley Memorial Fund

Every effort has been made to accurately report donor giving. Names are listed in accordance with standard listing protocol. Should you prefer your name be listed differently, please contact Mark Cantine.

## St. Joseph's is the Future Capital Campaign Honor Roll

Launched in 2010 through 2015, the *St. Joseph's is the Future* Capital Campaign expanded St. Joseph's ability to meet the increasing demands for inpatient and outpatient care in our area, while expanding healthcare services offered to residents in the region. Through this campaign, St. Joseph's University Medical Center's Critical Care Building was erected, which provided 54 additional critical care rooms, a brand-new emergency department, and 12 state-of-the-art operating rooms. As a result, St. Joseph's Health serves as a leading emergency/trauma/critical care resource for northern New Jersey and the surrounding region.

In addition, the DePaul Ambulatory Care Center and the Geriatric Emergency Department were created and moved into new spaces; along with the entrance, lobby, and multi-use auditorium space that were created to better serve our patients and their families. Additionally, a number of units at St. Joseph's Wayne Medical Center were renovated and our previously existing operating rooms at St. Joseph's University Medical Center were renovated into state-of-the-art same day surgery suites.

All of these improvements were made possible through the philanthropic investment of many individuals, corporations, foundations, and partners. Listed on the following pages are the donors and partners who contributed \$1,000 or more to the St. Joseph's is the Future Capital Campaign. **We are proud to formally acknowledge and express our deep gratitude to all who supported these efforts; thank you for helping St. Joseph's Health to achieve new heights!**

An exterior view of the Critical Care Building and helipad at St. Joseph's University Medical Center.

Patients and visitors are greeted by Sister Jane Frances Brady Drive at the main entrance of SJUMC, which leads into the beautifully renovated Marcalus Family Lobby.
