St. Joseph's Health
Mission Statement

Our Values

The core values express our convictions and beliefs. We integrate and affirm these values in all that we do.

DIGNITY - We believe that human life is sacred and every person will be treated with respect.

CHARITY - We embrace all who seek our help by bringing God's love and compassionate care.

JUSTICE - We advocate for the needs of all, especially the most vulnerable. We are committed in all our endeavors to be ethical, fair-minded and honest.

EXCELLENCE - We hold ourselves accountable to the highest possible standards of clinical and service quality.

STEWARDSHIP - We use our resources, both human and financial, in a responsible manner with a special commitment for the care of those who are poor, vulnerable and underserved.

About St. Joseph's Health

Established more than 150 years ago by the Sisters of Charity of Saint Elizabeth, Paterson's first hospital has evolved into St. Joseph's Health, a multifaceted integrated healthcare organization and the largest employer in Passaic County. With a "patients first" approach to healthcare excellence, St. Joseph's is fully committed to providing top quality services designed to heal the minds, bodies and spirits of those in need.

St. Joseph's Health is comprised of:

- St. Joseph's University Medical Center in Paterson, NJ.
- St. Joseph's Children's Hospital, a major academic medical/trauma center and state-designated comprehensive children's hospital in Paterson.
- St. Joseph's Wayne Medical Center, an acute care community hospital in Wayne.
- St. Joseph's Healthcare and Rehab Center, a long-term residential facility in Cedar Grove.
- Visiting Health Services of N.J., based in Totowa.
- Pediatric and adult outpatient facilities, located across northern New Jersey.

A vibrant healthcare system, St. Joseph's is recognized as one of the leading providers in Northern New Jersey for comprehensive medical and surgical services, innovative treatments and procedures, and a wide range of ambulatory and post-acute care options. An academic organization with multiple teaching affiliations, including New York Medical College, a member of the Touro College and University System, St. Joseph's not only uses, but teaches leading-edge medicine and best practices to future clinicians.

Young Professionals Committee: Purpose

St. Joseph's Health Foundation Young Professionals Committee (YPC) is a growing group of young professionals, in their 20s and 30s, who are passionate about the mission and commitment St. Joseph's upholds; to provide exceptional quality care for the communities we serve, with a special concern for the poor and underserved. The YPC supports this mission through a number of volunteer and fundraising projects around St. Joseph's work in areas centered on providing access to exceptional healthcare, with a focus on community health in the communities we serve.

The YPC plays a strategic role in developing awareness of St. Joseph's Health programs, and providing opportunities for St. Joseph's Health growth by leveraging social media, events, and individual fundraising to support overall goals. YPC members have opportunities to create, plan and participate in service activities (volunteer days, volunteer drives, hospital events, etc.); help plan and host fundraising events (happy hours, crowd-funding campaigns, etc.); and interact with wide variety of St. Joseph's Health staff and Foundation Board of Directors.

Benefits of Service

St. Joseph's Health YPC provides social, professional, and service opportunities for individuals interested in developing their network and skills. Committee members may enjoy a wide range of benefits and opportunities, including:

- Developing leadership skills and resources to affect change within healthcare while working in a cooperative and supportive environment
- Interacting with the staff and Foundation Board of Directors of St. Joseph's Health
- Gaining hands-on experience volunteering, planning service days, and organizing fundraising events
- Enhancing your résumé through YPC activities and regular volunteerism
- Networking with other young professionals at St. Joseph's Health events and social gatherings

Qualifications

- Commitment to St. Joseph's Health mission to provide exceptional quality care which sustains and improves both individual and community health, with a special concern for those who are poor, vulnerable and underserved.
- Currently in their 20s or 30s
- Service-oriented (volunteer experience highly desired)
- Reliable and motivated self-starter possessing strong leadership abilities
- Excellent planning skills and follow through
- Willingness and desire to actively promote St. Joseph's Health programs and service opportunities
- Willingness and desire to work collaboratively with other YPC members and St. Joseph's Health staff

Young Professional Committee Member Responsibilities

- Commit to 1 year term – renewable annually
- Attend at least 75% of quarterly YPC meetings (typically scheduled on Thursdays from 7:00 – 8:30 pm)
- Contribute a minimum of 15 hours of volunteer service hours with YPC facilitated opportunities over a one-year period
- Develop and conduct activities that will introduce and engage new contacts (individuals, partners, corporations, etc.) to St. Joseph's Health work
- Work closely with St. Joseph's Health staff and YPC Executive Team in the planning and conducting of service and fundraising activities
- Give/Get: Raise a minimum of \$1,000 for St. Joseph's Health annually through fundraising (events, letter writing/social media campaigns, etc.) and/or a personal gift (can be made payable over time)
- Maintain records on participation, including volunteer and fundraising efforts, and report back to St. Joseph's Health staff
