

St. Joseph's Health
FOUNDATION

2022

Impact Report

Dear friends,

As we look back over the past year, we cannot do so without extending our deepest thanks and warmest gratitude for your committed support. This past year was a momentous one for St. Joseph's Health Foundation with even better things to come, **thanks to you.**

It is because of **your generosity** that the Foundation completed "*A Higher Commitment: The Campaign for St. Joseph's Health*" in 2022 with a total of **\$42,764,712** raised – **\$12,476,712 over the \$30,000,000 goal!** Since the start of the Campaign in 2017, we have funded strategic priorities across the health system including renovations of our Mother Baby Unit, numerous programs within St. Joseph's Children's Hospital, the Employee Relief Fund, advanced medical equipment and much more!

It is because of **your partnership with us** that the Foundation is able to fund key strategic initiatives in our surrounding communities including addressing health equity and gun violence intervention.

Our corporate and foundation partners answered our call for support as well. Dunkin' Joy in Childhood Foundation made possible a playroom in our Children's Hospital, and the St. Baldrick's Foundation granted us funds to hire a first-time Clinical Research Associate in our pediatric cancer program.

Kelsey Gitchell, Child Life Supervisor, and Michael Lamacchia, MD, Chairman, Children's Hospital with a St. Joseph's Children's Hospital patient at the 11th Annual SAX 4 Miler.

St. Joseph's Health celebrated its 155th Anniversary stronger than it has ever been before. The Hackensack Meridian Johnson Rehabilitation Institute (JRI) at St. Joseph's Wayne Medical Center celebrated its one-year anniversary and we expanded our health system with the opening of two brand new and convenient facilities – our Totowa Health Campus and St. Joseph's Wayne Infusion Center.

All of this is possible **thanks to you**. We are grateful for your philanthropic support, which led to great innovation, expansion and success. St. Joseph's Health Foundation looks forward to all that we will achieve in 2023 and beyond thanks to your continued friendship and belief in our mission.

With gratitude,

KEVIN J. SLAVIN ANNOUNCES RETIREMENT

Kevin J. Slavin, President and Chief Executive Officer, announced he will be retiring at the end of 2023, bringing his outstanding **42-year career in healthcare** to a close. Kevin has led our organization with eight years of stable, yet transformational leadership. With sustaining our 155-year mission always top of mind, Kevin radically expanded and enhanced care throughout the communities we serve. His leadership during the COVID-19 pandemic, as Chair of the New Jersey Hospital Association, was recognized **statewide**.

As a member of St. Joseph's Health Foundation Board of Trustees, Kevin was and continues to be a champion of philanthropy. **We are immensely grateful** for all of his support and generosity. From captivating donors at Spotlights on St. Joseph's to challenging employees to beat his time in the annual SAX 4 Miler, Kevin's efforts towards our success remained **limitless**.

Please join us in honoring Kevin and our other distinguished honorees at our annual Gala on Thursday, November 2. For information, call the Foundation Office at (973) 754-GIVE (4483).

Thank you, Kevin!

A HIGHER COMMITMENT

“A Higher Commitment: The Campaign for St. Joseph’s Health” commenced in 2017 to fund St. Joseph’s Health’s ambitious vision for the future – expanding and enhancing facilities to match our world-class and compassionate care. As the demand for St. Joseph’s services continuously increased, the desire to support the Campaign and the work of our award-winning healthcare professionals grew alongside.

The comprehensive Campaign closed in December 2022 with **a total of \$42,764,712 raised**, which remarkably surpassed the original goal of \$30,000,000. Thanks to generous support from donors, including St. Joseph’s Health employees, the Campaign has funded the renovations underway at St. Joseph’s University Medical Center to establish our Women’s and Children’s Pavilion, along with a myriad of programs, services and capital improvements across our healthcare system:
